- this Proxy Statement for the Annual Meeting; and
- the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2020.

Notice of Internet Availability (Notice and Access)

Instead of mailing a printed copy of our proxy materials to each shareholder, we are furnishing proxy materials via the Internet. This reduces both the costs and the environmental impact of sending our proxy materials to our shareholders. If you received a “Notice of Internet Availability,” you will not receive a printed copy of the proxy materials unless you specifically request a printed copy. The Notice of Internet Availability will instruct you how to access and review all of the important information contained in the proxy materials. The Notice of Internet Availability also instructs you how to submit your proxy on the Internet and how to vote by telephone.

If you would like to receive a printed or emailed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability. In addition, if you received paper copies of our proxy materials and wish to receive all future proxy materials, proxy cards and annual reports electronically, please follow the electronic delivery instructions on www.proxyvote.com. We encourage shareholders to take advantage of the availability of the proxy materials on the Internet to help reduce the cost and environmental impact of our annual shareholder meetings.

The Notice of Internet Availability is first being sent to shareholders on or about December 13, 2021. Also on or about December 13, 2021, we will first make available to our shareholders this Proxy Statement and the form of proxy relating to the 2020 Annual Meeting filed with the SEC on December 13, 2021.

What is the proxy card?

The proxy card enables you to appoint David Jin, our Chief Executive Officer, and Luisa Ingargiola, our Chief Financial Officer, as your representatives at the Annual Meeting. By completing and returning a proxy card, you are authorizing these individuals to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including:

(i) the election of nine persons named herein as nominees for directors of the Company, to hold office subject to the provisions of the bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified; and

(ii) ratification of the appointment of Marcum LLP as the Company's independent auditors for the fiscal year ending December 31, 2021.

In addition, management will act on such other matters as may properly come before the meeting or any adjournment thereof, report on the performance of the Company during fiscal year 2020 and respond to questions from stockholders.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the number of shares of common stock issued and outstanding on the record date will constitute a quorum permitting the meeting to conduct its business. As of the record date, there were 86,025,807 shares of Avalon common stock issued and outstanding. Thus, the presence of the holders of common stock representing at least 43,012,905 votes will be required to establish a quorum.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

How can I get electronic access to the proxy materials?

The Notice provides you with instructions regarding how to:

- view the Company's proxy materials for the Annual Meeting on the Internet;
- request hard copies of the materials; and
- instruct the Company to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company's annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Stockholder of Record

If on November 15, 2021, your shares were registered directly in your name with our transfer agent, Vstock Transfer Inc., Inc., you are considered a stockholder of record with respect to those shares, and the Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares by returning the proxy card to us. Whether or not you plan to attend the Annual Meeting, if you do not vote over the Internet, please complete, date, sign and return a proxy card to ensure that your vote is counted.

Beneficial Owner of Shares Held in Street Name

If on November 15, 2021, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice of Annual Meeting & Proxy statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

How do I vote?

Stockholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.
- *By Mail.* You may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided.
- *Online at the Meeting.* You can vote at the meeting at www.virtualshareholdermeeting.com/AVCO2021.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.
- *By Mail.* You may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.
- *Online at the Meeting.* You can vote at the meeting at www.virtualshareholdermeeting.com/AVCO2021.

What are abstentions and broker non-votes?

While the inspector of elections will treat shares represented by proxies that reflect abstentions or include “broker non-votes” as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or “broker non-votes” do not constitute a vote “for” or “against” any matter and thus will be disregarded in any calculation of “votes cast.” However, abstentions and “broker non-votes” will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all issued and outstanding shares.

Brokers holding shares of record for customers generally are not entitled to vote on “non-routine” matters, unless they receive voting instructions from their customers (*see What happens if I do not give specific voting instructions*). As used herein, “uninstructed shares” means shares held by a broker who has not received voting instructions from its customers on a proposal. A “broker non-vote” occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter.

What happens if I do not give specific voting instructions?

Stockholders of Record. If you are a stockholder of record and you:

- indicate when voting on the Internet that you wish to vote as recommended by the Board of Directors, or
- sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters, but not on non-routine matters. Under New York Stock Exchange (“NYSE”) rules, if your shares are held by a member organization, as that term is defined under NYSE rules, responsibility for making a final determination as to whether a specific proposal constitutes a routine or non-routine matter rests with that organization, or third parties acting on its behalf.

What are the Board’s recommendations?

The Board’s recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- *for* election of the nine director nominees named in the Proxy Statement to hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified; and
- *for* ratification of the appointment of Marcum LLP as the Company’s independent auditors for the fiscal year ending December 31, 2020.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

How are proxy materials delivered to households?

Only one copy of the Company's Notice of Internet Availability, Annual Report on Form 10-K for the fiscal year ending December 31, 2020 and this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or who otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2020 and this Proxy Statement. If you share an address with at least one other stockholder, currently receive one copy of our Annual Report on Form 10-K and Proxy Statement at your residence, and would like to receive a separate copy of our Annual Report on Form 10-K and Proxy Statement for future stockholder meetings of the Company, please specify such request in writing and send such written request to Avalon GloboCare Corp., 4400 Route 9 South, Suite 3100, Freehold, New Jersey 07728; Attention: Chief Financial Officer.

Interest of Officers and Directors in matters to be acted upon

Except for the election to our Board of the nine nominees, none of our officers or directors has any interest in any of the matters to be acted upon at the Annual Meeting.

INFORMATION ABOUT THE BOARD OF DIRECTORS

The Board of Directors oversees our business and affairs and monitors the performance of management. In accordance with corporate governance principles, the Board does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chief Executive Officer and other key executives, visits to the Company's facilities, by reading the reports and other materials that we send them and by participating in Board and committee meetings. Each director's term will continue until the election and qualification of his or her successor, or his or her earlier death, resignation or removal. Biographical information about our directors is provided in "Proposal No. 1 — Proposal for the Election of Nine Directors" on page 20. Board Composition

Our business and affairs are organized under the direction of our board of directors, which currently consists of nine members. The primary responsibility of our board of directors is to provide oversight, strategic guidance, counseling, and direction to our management team. Our board of directors meets on a regular basis and additionally as required.

A majority of the authorized number of directors constitutes a quorum of the Board of Directors for the transaction of business. The directors must be present at the meeting to constitute a quorum. However, any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all members of the Board of Directors individually or collectively consent in writing to the action.

Director Independence

Our board of directors currently consists of nine (9) members. Our board of directors has determined that Yancen Lu, William B. Stilley, III, Steven A. Sanders, Tevi Troy and Yue "Charles" Li, qualify as independent directors in accordance with the Nasdaq Capital Market ("Nasdaq") listing requirements. Mr. Wenzhao "Daniel" Lu, Dr. David Jin Mr. Wilbert J. Tauzin II and Ms. Meng Li are not considered independent. Nasdaq's independence definition includes a series of objective tests, such as that the director is not, and has not been for at least three (3) years, one of our employees and that neither the director nor any of his or her family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, our board of directors has made a subjective determination as to each independent director that no relationships exist that, in the opinion of our board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our board of directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management. There are no family relationships among any of our directors or executive officers.

As required under Nasdaq rules and regulations, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

Family Relationships

There are no family relationships among our directors or executive officers.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors, or the Board, is primarily responsible for overseeing our risk management processes on behalf of our company. The Board receives and reviews periodic reports from management, auditors, legal counsel, and others, as considered appropriate regarding our company's assessment of risks. In addition, the Board focuses on the most significant risks facing our company and our company's general risk management strategy, and also ensures that risks undertaken by our company are consistent with the board's appetite for risk. While the Board oversees our company's risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our company and that our board leadership structure supports this approach.

Involvement in Certain Legal Proceedings

To our knowledge, our directors and executive officers have not been involved in any of the following events during the past ten years:

- any bankruptcy petition filed by or against such person or any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;
- any conviction in a criminal proceeding or being subject to a pending criminal proceeding (excluding traffic violations and other minor offenses);

- being subject of, or a party to, any Federal or state judicial or administrative order, judgment decree, or finding, not subsequently reversed, suspended or vacated, relating to an alleged violation of any Federal or state securities or commodities law or regulation, any law or regulation respecting financial institutions or insurance companies, or any law or regulation prohibiting mail or wire fraud or fraud in connection with any business entity; or
- being subject of or party to any sanction or order, not subsequently reversed, suspended, or vacated, of any self-regulatory organization, any registered entity or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

Board Committees

Establishment of Board Committees and Adoption of Charters

In November 2018, the Company established a Nominating and Corporate Governance Committee, a Compensation Committee and an Audit Committee (collectively, the “Committees”) and approved and adopted charters to govern each of the Committees.

In connection with the establishment of the Nominating and Corporate Governance Committee, Compensation Committee and Audit Committee, the Board of Directors of the Company appointed members to each such committee. Currently, all three committees are comprised of at least three (3) directors meeting the requirements set forth in each applicable charter. The membership of these three standing committees of the Board of Directors of the Company is as follows:

Steven Sanders (Chairman)
Tevi Troy
William Stilley

Compensation Committee

Yancen Lu (Chairman)
Steven Sanders
Tevi Troy

Audit Committee

William Stilley (Chairman)
Yancen Lu
Steve Sanders

Nominating and Corporate Governance Committee

Our board of directors has determined that each of the members of the Nominating and Governance Committee (the “Governance Committee”) are “independent directors” as defined by Nasdaq. The Governance Committee generally responsible for recommending to our full board of directors’ policies, procedures, and practices designed to help ensure that our corporate governance policies, procedures, and practices continue to assist the board of directors and our management in effectively and efficiently promoting the best interests of our stockholders. The Governance Committee is also responsible for selecting and recommending for approval by our board of directors and our stockholders a slate of director nominees for election at each of our annual meetings of stockholders, and otherwise for determining the board committee members and chairmen, subject to board of directors ratification, as well as recommending to the board director nominees to fill vacancies or new positions on the board of directors or its committees that may occur or be created from time to time, all in accordance with our bylaws and applicable law. The Governance Committee’s principal functions include:

- developing and maintaining our corporate governance policy guidelines;
- developing and maintaining our codes of conduct and ethics;
- overseeing the interpretation and enforcement of our Code of Conduct and our Code of Ethics for Chief Executive Officer and Senior Financial and Accounting Officers;
- evaluating the performance of our board of directors, its committees, and committee chairmen and our directors; and
- selecting and recommending a slate of director nominees for election at each of our annual meetings of the stockholders and recommending to the board director nominees to fill vacancies or new positions on the board of directors or its committees that may occur from time to time.

During 2020, the Nominating and Corporate Governance Committee did not meet. The Governance Committee is governed by a written charter approved by the board of directors. A copy of the Governance Committee’s charter is posted on the Company’s website at www.avalon-globocare.com in the “Investors” section of the website. In identifying potential independent board of directors’ candidates with significant senior-level professional experience, the Governance Committee solicits candidates from the board of directors, senior management and others and may engage a search firm in the process. The Governance Committee reviews and narrows the list of candidates and interviews potential nominees. The final candidate is also introduced and interviewed by the board of directors and the lead director if one has been appointed. In general, in considering whether to recommend any particular candidate for inclusion in the board of directors’ slate of recommended director nominees, the Governance Committee will apply the criteria set forth in its corporate governance guidelines. These criteria include the candidate’s integrity, business acumen, commitment to understanding our business and industry, experience, conflicts of interest and the ability to act in the interests of our stockholders. Further, specific consideration is given to, among other things, diversity of background and experience that a candidate would bring to the board of directors. The Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The Company believe that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board of directors to fulfill its responsibilities. Stockholders may recommend individuals to the Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials to the Company’s Governance Committee. Assuming that appropriate biographical and background material has been provided on a timely basis, the Governance Committee will evaluate stockholder recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.
